EMEA Ventilation Distributor Sales Meeting

CareFusion would like to take this opportunity to welcome you and your team to the CareFusion EMEA Ventilation Distributor Sales Meeting 2011 which will be held 9-12th October in Belek, Turkey.

Belek is in the Serik district of Turkey's Antalya Province. It is one of the centres of Turkey's tourism industry and home to more than thirty hotels with 4 or 5 star status. The ancient and the modern co-exist to give Belek a unique blend of historical sites, entertainment, sun kissed beaches and world class golf courses within a pleasant climate.

The Ela Quality Resort opens up the mysterious world of the East from a Western point of view. It combines Turkish hospitality, tradition and magnificent architecture, taking inspiration from the sultans who spent their time enjoying life in the splendid palaces of the Ottoman Tulip Era.

In 2010 the Ela Quality Resort Hotel ranked 1st in Belek, and 6th among 1674 Turkish hotels in the Mediterranean basin, according to HOLIDAYCHECK, the online exchange platform visited by travellers worldwide.

Built in 2007, the hotel is fully air-conditioned and features a lobby with a 24-hour reception desk and currency exchange facilities.
